NoteHub,
https://notehub.yassersaidi.com/ ⤴
07/2024 – 08/2024
View and manage your notes and notebooks. Create, edit, and organize your notes within NoteHub

Front-end Developer, *Techivation LTD* ⧉

07/2023 – 12/2023

I am an accomplished Frontend Web Developer with expertise in Next.js, React, and SCSS. My role at Techivation involves crafting high-performance web applications, ensuring responsive design, and optimizing user experiences. Proficient in version control and collaborative teamwork, I am dedicated to delivering exceptional results through a balance of creativity and technical excellence.

🏠 ORGANIZATIONS

Bamboo Geeks, *Internship* ⧉

11/2021 – 11/2022

During my tenure at BambooGeeks, an esteemed organization dedicated to providing comprehensive education in various computer-related fields, I had the privilege of learning from a team of over 10 experienced teachers. The curriculum encompassed a wide array of topics, including machine learning and Google Cloud, providing me with valuable insights and knowledge in these areas.

Roomy, *https://roomy.yassersaidi.com/* ⧉

05/2024 – 06/2024

Join and create virtual meetings with ease. Roomy offers secure, reliable, and high-quality video conferencing for everyone.

PicoPost,

https://picopost.yassersaidi.com/ ⧉

09/2023

Tech Stack: Next.js 13, Tailwind CSS, Clerk, TypeScript, Zod, Uploadthing, Shadcn UI, MongoDB

"PicoPost" is a social media platform inspired by Twitter, created using a modern and robust technology stack.

Distou Web Store,

https://distou.yassersaidi.com/ ⧉

03/2023

A modern online-shopping website that I called "Distou Store" was built with Next.js & MongoDB & TailwindCSS and NextAuthJS.

Me in the Web,

https://www.yassersaidi.com/ ⧉

10/2023

My personal website is a testament to my proficiency in web development.

iMage - Text to Image Generator,

https://image.yassersaidi.com/ ⧉

04/2023

An AI image generation app built using DELL-E Models OpenAI APIs and Next.js.

Metaversus - A Web Page ⧉

2023

"Metaversus" is a cutting-edge design that showcases my skills in frontend development.
